Packets 17-21

Coding, App and Game Design Students,
For Packets 17 -21 you will have 3 options to choose from. Please only chose 1 option for the whole week.

Option 1: Review of online Game Development Platforms. Research and write a review of one (1) online platform per day. Blow is a table of items to include but not limited to. If you have personally used the platform, write a personal review using 4-6 sentences. Be sure to include details.
**Please replace "Platform Name #" with the name of the platform you are reviewing.

	Platform Name 1	Platform Name 2	Platform Name 3	Platform Name 4	Platform Name 5

Operating System					
Training Options					
Support Hours					

Option 2: You may go to Code.org and work on your lessons there. If you have forgotten your password, please send me a message and will send it to you. Remember the direct link to your class is on at tisrowan.weebly.com – Coding page.

Option 3: Read for 30 minutes each day and write a quick summary each day using summary guidelines below. You may read anything you would like, preferably something technology based, or game based. Summary guidelines are as follows:

- Name of Article or Book, if online provide link.
- What it was about?
- 2 likes & 2 Dislikes
- Something you learned.
