

Digital Imaging for Packets 11-16

Digital Imaging Students,

For Packets 17 -21 you will have 3 options to choose from. Please only chose 1 option for the whole week.

Option 1: Review of online Game Development Platforms. Research and write a review of one (1) online platform per day. Blow is a table of items to include but not limited to. If you have personally used the platform, write a personal review using 4-6 sentences. Be sure to include details.

**Please replace "Platform Name #" with the name of the platform you are reviewing.

	Platform Name 1	Platform Name 2	Platform Name 3	Platform Name 4	Platform Name 5

Option 2: You can create a "How to Video" The goal of this is to teach me and your classmates how to do something...(examples: grilled cheese, PB&J, Cake, Brownies, Change Oil, Change Tire, Take care of a pet, many, many others; if you are unsure please just send me a message and I will tell you if it will work.) You will need to include a list of items need to do the task. When demonstrating how to complete the topic, please insert text using steps or 1st, next, then, last for language structure. When you have finished creating the Video please finish it out to an mp3/mp4 file and upload it to Office 365 and then share it with me rcrowan@k12.wv.us and Mrs. Jackson macy.jackson@k12.wv.us.

The following are the requirements:

Requirements	Description of Requirements	Check Off
Title Slide	Slide containing Title	
Video length	3-5 minutes long	
Visual	Clear visuals- Good video quality, little to no shaking, lighting, background	
Audio	Audio- Voice is clear and/or music is in video	
Text	Text throughout the video to enhance educational value	
Content	Student explains the process of what they are doing/making, well.	
Use of proper language structure	Students have used sequencing language to describe how to do the process of their topic	
Created Using	Name of App or Program placed with Credits	
Credit Slide	Credit given to any and every one that help with the video, and App/Program used.	

Option 3: Read for 30 minutes each day and write a quick summary each day using summary guidelines below. You may read anything you would like, preferably something technology based, or game based.

Summary guidelines are as follows:

- Name of Article or Book, if online provide link.
- What it was about?
- 2 likes & 2 Dislikes
- Something you learn
