

Photo Project for Packets 11-16

Over the next 6 School days you are going to take pictures with your phone, tablet, camera, ect or if you don't have a way to take pictures then you need to draw in color the best you can. Drawn pictures will still need to be submitted digitally. This is a spin of a project that we would have done this semester. Below are the steps that you will need to follow. If you have questions please send me a message on LiveGrades or Office 365 (rcrowan@k12.wv.us).

- You will have 6 different topics to focus on. I recommend doing 1 topic per day.
- Do not use the same photo or drawing more than once. You may use the same person or animal but has to different setting/pose.
- You will need 3 images per topic (LiveGrades limit of attachments).
- In the Body of your LiveGrades message you will give each photo a caption and tell about taking the pictures (should be a paragraph 4-6 sentences).
- You topics are as follows.
 1. **Landscape** (The lay of the land. What it looks like when you walk outside and look around.)
 2. **Portrait** (This typically is of a person, however you may use a pet or animal as well.)
 3. **Sky &/or Shadow** (Picture of the sky should have clouds or jet stream in it. If it is a perfectly sunny day then take pictures of shadows being cast from the sun.)
 4. **Nature** (These pictures can be so many things, think along the lines of Flowers, Leaves, Bugs, Trees, etc...)
 5. **Building** (Think house, apartment, outbuilding, garage, barn, or other structures.)
 6. **Your Pick** (This can be any school appropriate pictures. They must have a theme. For example Family, On a Walk, Shoes, Your Room, Spring Flowers, Cats, Dogs, etc....)

Rubric for Project

| Topic | Picture 1 with Caption | Picture 2 with Caption | Picture 3 with Caption | Story about topic (4-6 sentences) | |
|------------|---------------------------|---------------------------|---------------------------|--------------------------------------|--|
| Landscape | | | | | |
| Portrait | | | | | |
| Sky/Shadow | | | | | |
| Nature | | | | | |
| Building | | | | | |
| Your Pick | | | | | |
