

Embedded English
Packet Assignment C

- Research current news articles (or ask a friend or relative who works in this field) about how careers related to this class have been or will be impacted by the COVID-19 pandemic.
- Write a paragraph describing your research and include your own predictions for changes in the future of this line of work.
- Reread and correct spelling, grammar, punctuation, and capitalization errors. (A [grammarly.com](https://www.grammarly.com) free account can help you with this.)
- email to macy.jackson@k12.wv.us and to rcrowan@k12.wv.us
- Take care and stay safe!
